2. The Grantor may assess each lot owner a sum not to exceed One Hundred and 00/100 (\$100.00) Dollars, per year, per lot for the use, upkeep and maintenance of the roads within all sections of said subdivision, and such other common facilities as the said Grantor may provide therein. The rights and responsibilities as created by this paragraph may be delegated by the Grantor to a committee of lot owners within said subdivision elected by the property owners, and any assessment made pursuant to this paragraph shall constitute a lien on each and every lot within said subdivision until paid, and payment of said assessment and levy shall be payable on or before the 31st day of January next following the purchase of said lot, and on or before the 31st day of each year thereafter. Where more than one lot is owned by a party or parties, in the event of a resale of one or more said lots, then the obligation to pay the said assessment shall become the obligation of the new owner(s).

3. When sufficient lots in the sole discretion of the Grantor have been sold, a lot owners association to be known as the "Lake Raystown Development Lot Owners Association" to which lot owners are members, shall assume the responsibility for the maintenance of the roads and other common facilities, and to whom all payments of assessments will thereafter be made. The members of the association shall elect a committee of three (3) persons to administer responsibilities of the association with respect to the maintenance of road and other common facilities and with respect to the collection of assessments. The lot owners shall be entitled to exercise one vote per lot owned in all property owners' association matters.

4. All lots shall be used for residential purposes exclusively. No structure, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on any lot other than one (1) detached single family dwelling and one small one-story accessory building which may include a detached private garage, provided the use of such dwelling or accessory

8. All construction sites must be maintained as debris-free as is possible during the construction of any residence or permitted accessory building. All residences and permitted accessory buildings erected on the lot must be constructed in accordance with township codes and ordinances.

9. No signs, billboards or advertising of any nature shall be erected, placed or maintained on any lot, except one professional sign of not more than five square feet, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

10. It shall be the responsibility of each lot owner to prevent the development of any unclean, unsightly or unkept conditions of buildings or grounds on such lot which shall tend to substantially decrease the beauty of the neighborhood as a whole or the specific area.

11. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to the neighborhood. There shall not be maintained any plants, poultry, animals (other than household pets) or device or thing of any sort whose normal activities or existence is in any way noxious, dangerous, unsightly, unpleasant in nature as may diminish or destroy the enjoyment of other property in the neighborhood by the owners thereof.

12. No lot shall be subdivided, or its boundary lines changed, except with the written consent of the Grantor. However, the Grantor hereby expressly reserves to itself, its successors or assigns, the right to re-plat any two (2) or more lots shown on the plat of any said subdivision, section, block, or part thereof prior to delivery of deed in order to create a

modified building lot or lots. The restrictions and covenants herein apply to each such building lot so created.

13. Nothing herein is to be construed to prevent the Grantor from placing further covenants or easements on any lot in said subdivision which shall not have already been conveyed by them.

14. The Protective Covenants and Restrictions as set forth in this declaration shall be deemed covenants running with the land and shall be binding upon the Grantor herein, the Grantees herein, their heirs, executors, administrators and assigns.

15. In the event of a violation or breach of any of these restrictions by any property owner, or agent, or agent of such owner, the owners of lots in the neighborhood or subdivision, or any of them jointly or severally, shall have the right to proceed at law or in equity to compel a compliance to the terms hereof or to prevent the violation or breach in any event. In addition to the foregoing, the owners shall have the right, whenever there shall have been built on any lot in the subdivision any structure which is in violation of these restrictions, to enter upon the property where such violation exists, and summarily abate or remove the same at the expense of the owner, if after thirty (30) days written notice of such violation, it shall not have been corrected by the owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any right, reservation, restriction or condition contained in this Declaration of Restrictions, however long continued, shall not be deemed a waiver of the right to do so hereafter, as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. The invalidation by any court of any restriction in this Declaration of Restrictions contained shall in no way affect any of the other restrictions, but they shall remain in full force and effect.
