Hi Burgess,

We are meeting Gary and Carolyn at 9am on Friday to drop off our trailer. They said we could leave it there instead of driving it in town. I guess we could have a walk thru with them at that time if they want to do so. I believe that Gary wants to meet Troy and go over a few things with him. So... more than likely we will be going in the house.

Yes, Troy and I do know where Larry's office is located. We just cannot remember where we can park, if there is nothing along the road. I believe that last time we parked behind his office somewhere. I know the municipal lot is at 4th, but it also fills up pretty quickly.

I spoke with Cheryl and the check will be ready for us to pick up on Friday at the bank. I also told her to keep us in mind for hiking. Troy and I would love to join you guys sometime when you are hiking in the area.

Thank you so much for all you have done. Another satisfied customer for your business. Well done:)

Happy Thanksgiving!!
Pam

Dear Andy and Sandy,

Just wanted to wish you and your families a very Merry Christmas and a Happy New Year.

I also would like to thank you both for all you did to help me sell the house. It was a huge burden off my shoulders.
